The Innovative LEDIPublishing Company

**Ledipublishing
services**

Ledizioni Innovative LediPublishing Company is **Libreria Ledi (Libreria Editrice d'Italia)** *International Bookseller* publishing house. We're active since 1935 in the international publishing and bookselling market.

Ledizioni-Ledipublishing was born in 2008 with the aim of better serving the academic community, using **digital technologies** in order to make the **system of academic communication more efficient.**

Ledizioni-Ledipublishing strives to **innovate** using state of the art technologies, that allow to publish books and journals in **print, in e-format** and eventually in **Open Access**, with low costs and high quality.

Content quality is always assured by a rigorous **peer-review process**.

The Innovative LEDipublishing Company

Ledizioni-Ledipublishing publications are:

>>> **Academic Books**, divided in **series**, with a scientific committee who is in charge of the peer-review process and assures quality content for publication.

>>> **Reprints** of out of print books that might still be of interest for the academic community (our reprints are OCR-based and manually copyedited or facsimile)

>>> **Books in different languages**, we publish in all major languages, including but not limited to english, french, spanish, german and italian.

>>> **Academic journals** in print or digital, subscription or Open Access

Ledizioni-Ledipublishing outputs are:

>>> **Academic Monographs** Ledizioni-Ledipublishing publishes scholarly books and reprints in softcover or hardbound, black and white or colour, in different format and with a wide range of paper selection.

>>> **Academic Journals** using LediJournals, an OJS based platform, that allows editors to streamline submission, peer-review and editing process.
